SHARE BUY-BACK STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1.0 INTRODUCTION

At the 52nd AGM held on 30 November 2021, the Company announced that the shareholders had approved for the Company to purchase up to ten percent (10%) of the total issued shares of MIG in accordance with Section 127 of the Act.

On 30 August 2022, the Board of Directors of the Company announced to Bursa Securities its intention to seek the shareholders' approval for the Proposed Renewal of Share Buy-Back Authority at the forthcoming AGM to be held on 1 December 2022.

The purpose of this Statement is to provide you with details on the Proposed Renewal of Share Buy-Back Authority and to seek your approval for the resolution thereto to be tabled at the forthcoming 53rd AGM of the Company to be convened electronically in its entirety via Remote Participation and Voting facilities at the Broadcast Venue at Astana Meeting Room, 15th Floor, No. 566, Jalan Ipoh, 51200 Kuala Lumpur on Thursday, 1 December 2022 at 11.30 a.m. The notice convening the 53rd AGM together with the Form of Proxy have been set out in the Company's Annual Report 2022.

SHAREHOLDERS ARE ADVISED TO READ THE CONTENTS OF THIS STATEMENT CAREFULLY BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY AT THE FORTHCOMING AGM.

2.0 DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Board proposes to seek the approval of the shareholders of the Company to renew the Share Buy-Back Authority at the 53rd AGM of the Company to be held on 1 December 2022 to purchase and/or hold from time to time and at any time up to 10% of its own shares in the total issued shares of the Company.

As at 30 September 2022, the issued share capital and number of issued shares of the Company was RM253,775,834.00 comprising 359,417,703 MIG Shares. The maximum number of shares which may be purchased and/or held by the Company will be ten percent (10%) of the total issued shares of MIG at the time of purchase.

The actual number of shares to be purchased, the total amount of the funds to be utilised as well as the timing of the Proposed Renewal of Share Buy-Back Authority will be dependent on the market conditions, market sentiments of Bursa Securities, availability of the retained profits, the financial resources available to MIG as well as the Bursa Securities' requirement to maintain the necessary shareholding spread.

In addition, the Board will ensure the Company satisfies the solvency test as stated in Section 112(2) of the Act before execution of the Share Buy-Back.

The authority conferred by this resolution may only continue to be in force until:

- (a) the conclusion of the next AGM of MIG following the general meeting at which such resolution was passed at which time it shall lapse unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (c) revoked or varied by ordinary resolution passed by the shareholders in general meeting,

whichever occurs first.

Set out below are details of the Proposed Renewal of Share Buy-Back Authority:

2.1 Funding

The funding for the Proposed Renewal of Share Buy-Back Authority will be wholly from internally generated funds and/or borrowings or a combination of both, the proportion of which to be utilised will depend on the actual number of MIG Shares to be purchased, the price of MIG Shares and the availability of funds of the Group at the time of purchase. In the event that borrowings are used for the Proposed Renewal of Share Buy-Back Authority, the amount of borrowings will depend on the amount of MIG Shares to be purchased by the Company and the appropriate borrowing capacity of the Company. The Company's net cash flow may be affected to the extent of the interest costs associated with any borrowings. The Directors of MIG will ensure that the Company is able to meet the repayment of such borrowings, if any.

In accordance with the Listing Requirements, the maximum funds to be allocated for the Proposed Renewal of Share Buy-Back Authority shall not exceed the aggregate of the retained profits of the Company available at the time of the intended purchase. Based on the latest audited accounts of the Company for the financial year ended 30 June 2022, the Company's accumulated losses amounted to RM97,788,457.

2.2 Treatment of Purchased Shares

When Shares are purchased by the Company, the Directors may resolve to cancel the Shares so purchased and/or retain the Shares so purchased to be held as Treasury Shares. Where the Directors resolve to cancel the Shares so purchased, the Company's total issued shares shall be diminished by the cancellation of the Shares so purchased and the cost of the shares shall be applied in the reduction of the profits otherwise available for distribution as dividends. Where the Directors resolve to retain the Shares so purchased as Treasury Shares, the Directors may distribute the Treasury Shares as share dividends to shareholders and/or resell the Treasury Shares on the Bursa Securities and/or cancel the Treasury Shares. While the Shares so purchased are held as Treasury Shares, the rights attached to them as to voting, dividends and participation in other distribution and otherwise are suspended. Further, the Treasury Shares would not be taken into account in calculating the number or percentage of Shares or a class of share in the Company for any purposes including the determination of substantial shareholdings, take overs, notices, the requisition of meetings, the quorum for meetings and the result of a vote on resolution(s) at meetings.

2.3 The Purchase Price

Under Bursa Securities' Listing Requirements governing purchase of own shares by listed corporations, MIG may only purchase its own shares listed on Bursa Securities at a price which is not more than fifteen percent (15%) above the weighted average market price of the Shares for the five (5) market days immediately before the date of the purchase(s).

2.4 The Resale Price

In the case of a resale of Treasury Shares, if any, the Company may only resell Treasury Shares on Bursa Securities at:

- i. a price which is not less than the weighted average market price of the Shares for the past five (5) market days immediately before the date of the resale(s); or
- ii. a discounted price of not more than five percent (5%) to the weighted average market price for the Shares for the five (5) market days immediately before the resale provided that:
 - (a) the resale takes place no earlier than thirty (30) days from the date of purchase; and
 - (b) the resale price is not less than the cost of purchase of the Shares being resold.

2.5 Public Shareholding Spread

Based on the Record of Depositors maintained by Bursa Depository as at 30 September 2022, being the latest practicable date prior to the printing of this Statement, 190,664,206 Shares representing 53.05% of the total issued shares of the Company were held by public shareholders. Pursuant to the Proposed Renewal of Share Buy-Back Authority, assuming that the Share Buy-Back is implemented in full and that the Purchased Shares are from public shareholders, the public shareholding spread would reduce to approximately 47.83%. The Board of Directors of the Company undertakes to purchase Shares only to the extent that not less than 25% of its total listed shares are in the hands of public shareholders at all times, as required under Paragraph 8.02(1) of the Listing Requirements.

2.6 Other requirements

The Proposed Renewal of Share Buy-Back Authority will be carried out in accordance with the prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities at the time of purchase.

In the event that the Company wishes to cancel the Company's Shares purchased and/or the Company's Treasury Shares, the Company is required to release an announcement on the day the cancellation is made providing the number of Shares cancelled, the date of cancellation and the outstanding issued and paid-up capital of the Company after the cancellation. While the Shares are held as Treasury Shares, the rights attached to them as to voting, dividends and participation in other distribution and otherwise are suspended and the Treasury Shares shall not be taken into account in calculating the number or percentage of Shares or of a class of Shares in the Company for any purpose including substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

In the event that the Company wishes to resell the Company's Treasury Shares, the Company is required to release an announcement on the day the resale is made providing the date of resale, the number of Shares resold, the resale price of each share or where relevant, the highest and lowest resale price and the total consideration received.

3.0 RATIONALE AND RISK ASSESSMENT FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Board is of the opinion that empowering the Company to undertake the Proposed Renewal of Share Buy-Back Authority is in the best interest of the Company and will provide an opportunity to the Company to purchase MIG Shares on the Bursa Securities for the purpose of stabilising the supply and demand as well as the price of MIG Shares and consequently, the fundamental value of the Company may be preserved.

The Proposed Renewal of Share Buy-Back Authority will enable MIG Group to utilise its financial resources that do not have an immediate usage to buy back the Shares of the Company and enhance the EPS of the Group (in the case where the Directors resolve to cancel the Shares so purchased and/or retain the Shares as treasury shares and the treasury shares are not subsequently resold). If the Shares bought back are kept as treasury shares, it will give the Directors an option to sell the Shares so purchased at a higher price and therefore make an exceptional gain for the Company. Alternatively, the Shares so purchased can be distributed as share dividends to shareholders.

The Proposed Renewal of Share Buy-Back Authority will also enable MIG Group to utilise its financial resources to reduce the liquidity of MIG Shares in the stock market which generally will have positive impact, everything being equal, to the market prices of the Shares.

The Proposed Renewal of Share Buy-Back Authority, if implemented, will reduce the financial resources of the Group. This may result in the Group having to forego future investment opportunities and/or any income that may be derived from the deposit of such funds in interest bearing instruments. It may also result in a reduction of financial resources available for distribution in the form of cash dividends to shareholders of the Company.

However, the financial resources of the Company may increase pursuant to the resale of the Shares held as treasury shares at prices higher than the purchase price. In this connection, the Board will be mindful of the interest of the Company and shareholders of the Company in implementing the Proposed Renewal of Share Buy-Back Authority and in subsequent resale.

4.0 EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-Back Authority will however, reduce the financial resources of the Group and may result in the Group foregoing good investment opportunity that may emerge in future. It may also reduce the ability of the Group to withstand economic weakness that may arise. Nevertheless, the Board of Directors of the Company will be mindful of the interests of MIG and its shareholders in implementing the Proposed Renewal of Share Buy-Back Authority.

On the assumption that the Proposed Renewal of Share Buy-Back Authority is carried out in full, the effects of the Proposed Renewal of Share Buy-Back Authority on the total issued shares, NA, EPS, working capital, earnings and dividend of MIG are set out below:-

4.1 Total Number of Issued Shares

The effect of the Proposed Renewal of Share Buy-Back Authority will depend on whether the Purchased Shares are cancelled or retained as Treasury Shares.

In the event the Proposed Renewal of Share Buy-Back Authority is implemented in full and all the Purchased Shares are subsequently cancelled and there is sufficient retained profits, the pro-forma effects on the total issued shares of the Company as at the LPD are as follows:

Company Level	No. of Shares
Total issued share capital of MIG as at the LPD	359,417,703
Less :	
Assuming if maximum number of Shares are purchased pursuant to the Proposed Renewal of Share Buy-Back Authority	35,941,770
Resultant total number of issued shares	323,475,933

However, the Proposed Renewal of Share Buy-Back Authority will not have any effect on the total issued share capital of the Company if all the Purchased Shares are retained as Treasury Shares, resold or distributed to the shareholders of the Company.

4.2 NA and EPS

The effect on NA and EPS of the Group will depend on the purchase price of the Shares and the number of Shares bought back. However, the Proposed Renewal of Share Buy-Back Authority, if exercised, is not expected to have a material effect on the NA and EPS of the Group for the financial year ending 30 June 2023. If the purchase price of the Shares is less than NA per share, it will increase the NA and EPS per share of the Group and vice versa.

If the purchased MIG Shares are kept as Treasury Shares, the NA per share would decrease unless the cost per share of the Treasury Shares purchased is below the NA per share at the relevant point in time. This is due to the requirement for Treasury Shares to be carried at cost and be offset against equity, resulting in a decrease in the NA of the Company.

4.3 Working Capital

The Proposed Renewal of Share Buy-Back Authority, if exercised, will reduce the working capital of the Group, the quantum of which depends on, amongst others, the number of MIG Shares eventually purchased and the purchase prices of the Shares. The cash flow of the Company and the Group will be reduced relatively to the number of MIG Shares eventually purchased and the purchase prices of the Shares.

For MIG Shares so purchased which are retained as Treasury Shares, upon its resale, the working capital and cash flow of the Company will increase. Again, the quantum of the increase in the working capital and cash flow will depend on the selling price of the Treasury Shares and the number of Treasury Shares resold.

4.4 Earnings

The effects of the Proposed Renewal of Share Buy-Back Authority on the earnings of MIG Group are dependent on the number MIG Shares purchased, the effective funding cost to finance such purchases and/or loss in interest income to MIG Group if internally generated funds are utilised. Further, the purchase of the MIG Shares will result in a lower number of shares being taken into account for purposes of EPS computation.

4.5 Dividends

The Proposed Renewal of Share Buy-Back Authority may have an impact on our Company's dividend payout as it may reduce the cash available which may otherwise be used for dividend payments. Any dividend to be declared in the immediate future will depend on the performance and cash resources of our Group. In addition, the Treasury Shares may be distributed as dividends to our shareholders if our Board so decides.

5.0 SHAREHOLDINGS OF DIRECTORS AND MAJOR SHAREHOLDERS

Save for the inadvertent increase in the percentage shareholdings of the Directors and Major Shareholders as a result of excluding Treasury Shares from the total issued shares after the Proposed Renewal of Share Buy-Back Authority, none of the Directors or Major Shareholders or persons connected to them has any interest, direct or indirect, in the Proposed Renewal of Share Buy-Back Authority or resale of Treasury Shares.

The table below shows the shareholdings of the existing Directors and Major Shareholders of the Company as at 30 September 2022 and their pro-forma total percentage shareholdings in the Company assuming that the Proposed Renewal of Share Buy-Back Authority was carried out in full on 30 September 2022.

ASSB holds 3,810,300 shares representing 1.06% of the total issued share capital of MIG.

6.0 IMPLICATION ON THE CODE

At the 52nd AGM held on 30 November 2021, the Company obtained a mandate from its shareholders to enter into RRPTs with Related Parties which are necessary for its day-to-day operations and are in the ordinary course of business based on the normal commercial terms which are not more favorable to the Related Parties than those generally available to the public and not to the detriment of minority shareholders ("Existing Mandate").

The Existing Mandate shall lapse at the conclusion of the forthcoming AGM of the Company unless a new mandate for RRPTs is obtained from the shareholders at the AGM.

1.0 DETAILS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE AND PROPOSED NEW SHAREHOLDERS' MANDATE

Under Paragraph 10.09(2) of the Listing Requirements, MIG may seek a shareholders' mandate in respect of RRPT(s) which are necessary for its day-to-day operations subject to the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Party(ies) than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregated value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements;
- (c) the Company to issue a Circular to Shareholders in relation to the Shareholders' mandate which shall include all information as may be prescribed by Bursa Securities, together with a checklist showing compliance with such information when submitting to Bursa Securities;
- (d) in a meeting to obtain shareholders' mandate, the interested Director, interested Major Shareholder(s) and/or interested persons connected with a Director or Major Shareholder; and where it involves the interest of an interested person connected with a Director or Major Shareholder, such Director or Major Shareholder, must not vote on the resolution approving the transactions. An interested Director or interested Major Shareholder must ensure that persons connected with him/her/it abstain from voting on the resolution approving the transactions; and
- (e) MIG immediately announces to Bursa Securities when the actual value of a RRPT(s) entered into by MIG exceeds the estimated value of the RRPT(s) disclosed in the Circular to Shareholders by ten percent (10%) or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Where a listed issuer has procured a shareholders' mandate pursuant to the above, the provisions of Paragraph 10.08 of the Listing Requirements will not apply with regard to transactions as detailed in Sections 3.3(A), 3.3(B) and 3.3(C) of Part B of this Circular.

Transactions entered between a listed issuer (or any of its wholly owned subsidiaries) and its wholly owned subsidiaries are excluded from the requirements of Chapter 10.09(2) of the Listing Requirements.

MIG Group has entered into certain RRPT(s) in the ordinary course of business and it is anticipated that the MIG Group would, in the ordinary course of business continue to enter into such RRPT(s) referred to in Sections 3.3(A), 3.3(B) and 3.3(C) of Part B of this Circular. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

In view of the time-sensitive, confidentiality and frequent nature of such RRPT(s), the Board of Directors is seeking the shareholders' approval for the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate for the MIG Group to enter into the categories of RRPT(s) referred to in Sections 3.3(A), 3.3(B) and 3.3(C) of Part B of this Circular with the Related Parties, provided that such transactions are entered into at arm's length and on terms which are not more favourable to the Related Parties than those generally available to the public and which are not detriment to the minority shareholders of MIG. The RRPT(s) will also be subject to the review procedures set out in Section 5.0 of Part B of this Circular.

In compliance with Chapter 10 of the Listing Requirements, Practice Notes No. 12 and No. 14, MIG now proposes to seek shareholders' approval on the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate to allow the Company to enter into RRPT(s) from time to time with the Related Parties. Such mandate will enable the Group to enter into the RRPT(s) without the necessity, in most instances, to make the otherwise required announcement or to convene meetings in order to procure specific prior approval of its shareholders. The Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate will take effect from the date the Ordinary Resolution is passed by the shareholders at the forthcoming 53rd AGM of the Company or at any adjournment thereof and will remain in effect until:

- (i) the conclusion of the next AGM of the Company following the AGM at which such Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate was passed, at which time it will lapse, unless by a resolution passed at the AGM, the authority is renewed; or
- (ii) the expiration of the period within which the next AGM of the Company after the forthcoming AGM is required to be held pursuant to Section 340(2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (iii) revoked or varied by resolution passed by the shareholders in general meeting;

whichever is the earlier.

Disclosure will be made in accordance with Section 3.1.5 of Practice Note 12 issued by Bursa Securities, which requires the breakdown of the aggregate value of the RRPT(s) entered into during the financial year based on, amongst others, the following information :-

- (i) types of RRPT(s); and
- (ii) names of Related Parties involved in each type of RRPT(s) entered into and their relationships with the Company,

pursuant to the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate in the Company's Annual Report, and in the annual report for subsequent years that the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate continues to be in force.

4.0 BASIS OF ESTIMATES

The pricing method for the estimated values was based on:

- (i) arm's length basis and on normal commercial terms and on terms not more favourable to the related parties than those generally available to the public and not detrimental to the minority shareholders of the Company. Due consideration based on prevailing market rates under usual commercial terms, business practices and policies or otherwise in accordance with other applicable industry norms was given to price, payment, quality, delivery and service in order to maximise benefits for any purchase under the transactions.
- (ii) competitive commercial terms based on quotations from other sources of supply of the products/services required by the Group. Reference shall also be made to published market reports, if available, pertaining to transactions of similar products concluded in other markets.

The estimated value in respect of each transaction referred to above is based on accounting records which in turn are based on prevailing prices obtained from the Related Parties which are reasonably market-competitive prices and based on the expected level of transactions to be entered into by the Group. The estimated amounts are further based on the assumptions that current level of operations will continue and all external conditions remain constant.

At least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of produces/services and/or quantities.

In the event that quotation or comparative pricing from unrelated third parties cannot be obtained (for instance, if there are no unrelated third party vendors/customers of similar products or services, or if the product/service is a proprietary item), Management will ensure the RRPT(s) will only be entered with the Related Parties after taking into account the pricing, level of services, quality of products and other related factors to ensure that the RRPT is not detrimental to MIG Group.

5.0 REVIEW PROCEDURES FOR THE RRPT(S)

MIG has established the following procedures and guidelines to ensure that the RRPT(s) are undertaken on an arm's length basis and on normal commercial terms, consistent with MIG's usual business practices and policies, which are not more favourable to the Related Parties than those normally available to the public and are not to the detriment of the minority shareholders :

- (i) A list of Related Party(ies) will be circulated to the Audit and Governance Committee to notify that all RRPT(s) are required to be undertaken on an arm's length basis and on normal commercial terms and on terms not more favourable to the Related Parties than those generally available to the public and not to the detriment of the minority shareholders;
- (ii) Records of RRPT(s) will be retained and compiled for review by the Audit and Governance Committee;
- (iii) The Audit and Governance Committee shall review all aspects of the RRPT(s) where the consideration, value of the assets, capital outlay or costs thereof, equal or exceed RM1,000,000 and ensure that they are conducted at arm's length basis. Any member of the Audit and Governance Committee may, as he/she deems fit, request for additional information pertaining to the RRPT(s) including appointing an independent adviser/expert as they deem appropriate;

- (iv) Disclosure on all material RRPT(s) will be made in the Annual Report of the Company;
- (v) The RRPT(s) will be conducted at arm's length and based on normal commercial terms consistent with the Group's usual business policies and practices (subject to applicable rules and regulations) and will not be prejudicial to the minority shareholders;
- (vi) The interested directors who are members of the Board and Audit and Governance Committee will abstain from deliberating and voting on all matters pertaining to the RRPT(s) at the relevant meetings of the Board or Audit and Governance Committee;
- (vii) The transactions with a related party will only be entered into after taking into account the pricing, quality, delivery schedules, level of service and other related factors which are determined in accordance to the Group's business practices and policies, such as calling for tenders, quotations, so as to ensure that the prices and terms and conditions are based on competitive prices of similar products and services in line with industry norms; and
- (viii) The Audit and Governance Committee monitors on quarterly basis actual transacted values of RRPT(s) under the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate to ensure that the Company makes an announcement to Bursa Securities if the actual value exceeds 10% or more of the estimated value disclosed in the Circular for a particular group of Related Parties.

6.0 THRESHOLD OF AUTHORITY

There is no specific threshold for approval of RRPT(s) within MIG Group. However, all RRPT(s) are subject to the approval of the Board. Where any Director has an interest (direct or indirect) in any RRPT(s), such Director shall abstain from deliberation and voting on the matter. If it is determined that the guidelines and/or procedures stated in Section 5.0 of Part B of this Circular, are inadequate to ensure that :

- (i) RRPT(s) will be conducted at arms' length and on normal commercial terms which are not more favourable to the Related Party(ies) than those generally available to the public; and
- (ii) Such transactions are not to the detriment of the minority shareholders of the Company or prejudicial to the interests of the shareholders,

the Company will obtain a fresh shareholders' mandate.

7.0 STATEMENT BY THE AUDIT AND GOVERNANCE COMMITTEE

The Audit and Governance Committee has seen and reviewed the procedures. The Audit and Governance Committee is of the view that the procedures in Section 5.0 of Part B of this Circular are sufficient to ensure that RRPT(s) of a revenue or trading nature as set out in Sections 3.3(A), 3.3(B) and 3.3(C) of Part B of this Circular are not more favourable to related parties than those generally available to the public and are not to the detriment of the minority shareholders.

MIG Group has in place adequate procedures and processes to monitor, track and identify RRPT(s) in a timely and orderly manner which procedures and processes are reviewed on a quarterly basis by the Audit and Governance Committee, and if necessary, the Audit and Governance Committee may request internal audit to review the systems and procedures.

8.0 RATIONALE FOR AND BENEFITS TO THE GROUP

The rationale for and benefits of the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate to MIG Group are as follows: -

- (a) the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate will facilitate transactions with Related Parties which are carried out in the ordinary course of business of MIG Group and are made on an arm's length basis and on terms not more favourable to the Related Parties than those generally made available to the public and not in the Company's opinion detrimental to the minority shareholders;
- (b) the transactions between the Related Parties referred to under Section 3.3(A)(ii) of Part B of this Circular, allow the MIG Group to have a more efficient utilisation of rentable area in 15th Floor, No. 566, Jalan Ipoh, 51200 Kuala Lumpur, and
- (c) the Proposed Renewal of Shareholders' Mandate and Proposed New Shareholders' Mandate will eliminate the need to make regular announcements or convene separate general meetings from time to time to seek shareholders' mandate approval as and when potential RRPT with a mandated Related Party arise, thereby reducing the administrative time and expenses in convening such meetings, without compromising the corporate objectives and adversely affecting the business opportunities available to the Group.

12. Explanatory Notes to Ordinary Business:

(A) Audited Financial Statements

This Agenda item is meant for discussion only as the provision of Section 340(1)(a) of the Act does not require a formal approval of the shareholders and hence, is not put forward for voting.

(B) Benefits Payable to Non-Executive Directors (Ordinary Resolution 2)

Section 230(1) of the Act provides amongst others that the fees of the Directors and any benefits payable to the Directors of a listed company and its subsidiaries shall be approved at a general meeting.

The proposed Ordinary Resolution 2 is to seek shareholders' approval for payment of Directors' Benefits (excluding Directors' fees) to the Non-Executive Directors for the period from 1 January 2023 to 31 December 2023.

The benefits comprises the meeting allowances, benefits-in-kind and other emoluments payable to the Non-Executive Directors of the Company.

In determining the estimated total amount of remuneration (excluding Directors' fees) for the Non-Executive Directors of the Company, the Board considered various factors including the number of scheduled meetings for the Board and Board Committees as well as the number of Non-Executive Directors involved in these meetings.

The Board is of the view that it is just and equitable for the Non-Executive Directors to be paid the directors' remuneration (excluding Directors' fees) as and when incurred, particularly after they have discharged their responsibilities and rendered their services to the Company and its subsidiaries throughout the relevant period.

13. Explanatory Notes to Special Business of Agenda 5:

(C) Change of Auditors (Ordinary Resolution 5)

Notice of Nomination pursuant to Section 271(4) of the Act (a copy of which is annexed and marked as "Appendix I" in the Annual Report 2022) has been received by the Company for the nomination of Messrs KPMG PLT as Auditors in place of the retiring Auditors, Messrs PricewaterhouseCoopers PLT.

(D) Proposed Renewal of Share Buy-Back Authority (Ordinary Resolution 6)

The Proposed Ordinary Resolution 6, if passed, would empower the Directors to exercise the power of the Company to purchase its own shares ("the Proposal") by utilising its financial resources not immediately required. The Proposal may have a positive impact on the market price of the Company's shares. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of the next AGM of the Company.

(E) Proposed Renewal and New Shareholders' Mandate for Recurrent Related Party Transactions of a Revenue or Trading Nature (Ordinary Resolutions 7 and 8)

The Proposed Ordinary Resolutions 7 and 8, if passed, will empower the Company to conduct RRPTs of a revenue or trading nature which are necessary for the Group's day-to-day operations, and will eliminate the need to convene separate general meetings from time to time to seek shareholders' approval. This will substantially reduce administrative time, inconvenience and expenses associated with the convening of such meetings, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

(F) Authority to Issue and Allot Shares Pursuant to Sections 75 and 76 of the Act (Ordinary Resolution 9)

The Ordinary Resolution proposed under Resolution 9 of the Agenda is a renewal of the General Mandate for the Directors to issue and allot shares pursuant to Sections 75 and 76 of the Act. This mandate will provide flexibility for the Company to undertake future possible fund raising activities, including but not limited to placement of shares for purpose of funding the Company's future investment projects, working capital and/or acquisition(s) without having to convene another general meeting.

The Proposed Resolution 9, if passed, will give authority to the Directors of the Company, from the date of the above AGM, to issue and allot shares in the Company up to an amount not exceeding in total ten percent (10%) of the total number of issued shares of the Company for the time being, for such purposes as they consider would be in the interest of the Company. This authority, unless revoked or varied by the Company at a general meeting, will expire at the conclusion of the next AGM of the Company.

As at the date of this Notice, no new shares in the Company were issued pursuant to the mandate granted to the Directors at the 52nd AGM held on 30 November 2021, which will lapse at the conclusion of the 53rd AGM to be held on 1 December 2022.

14. Poll Voting

All the Resolutions mentioned above will be put to vote by Poll.

The detailed information on Special Business of Agenda 5 except for Ordinary Resolutions 5 and 9 as mentioned above is set out in the Circular to Shareholders of the Company dated 31 October 2022 which is despatched together with the Company's 2022 Annual Report.
